**RECENT TEACHINGS** – Ryan taught on *Heaven With NO Rewards* on July 16<sup>th</sup>. It is a scary thought that people can arrive in heaven and have absolutely **NO REWARDS**. It will be kind of like being surrounded by mansions and living in a 1970 rusted out, tornado ravaged, flood rotted, Arkansas trailer house. Scripture makes it clear that it is absolutely possible for this scenario to occur. Find out how it is possible, whether or not you are in danger, and what you can do to avoid this potentially terrifying possibility. These teachings are available through the office and on-line at **www.LWACHanute.com**

Milton then taught on *Cultivating & Procreating A Sense of AWE* Pt.10 on July 23<sup>rd</sup>. This teaching deals with the responsibility we possess of having the Kingdom of God entrusted into our hands. There are people whose eternal salvation is probably dependent upon us. **If that is true, how do we need to be approaching them before they pass from time into eternity?**

The July 30<sup>th</sup> teaching was Part 11 of the **Cultivating & Procreating a Sense of AWE** series and deals with the overwhelming **AWE** connected to us through Ephesians 2. This is a critically important teaching about WHO YOU ARE and how much God loves YOU!!! This is a liberating teaching for those who are accustomed to being beaten on by the enemy of their souls.

**MAGAZINES** – The August issue of Charisma is available in the outer foyer for \$2.00.
